

URI Catholic Center Update

Last week, we hosted **Hoagies and Stogies** for the guys, which included sandwiches, cigars, games and a bonfire, and a **Paint Night** for the ladies, at the end of which everyone got to take home their own original work of art! Some of our students also made the trek up to Providence College for **Theology on Tap** with Sr. Bethany Madonna of the Sisters of Life. But the real highlight of the past few weeks was our Rhody Catholic Event on October 4. Students sorted donations from the **Toiletry Drive** that we ran on campus for hurricane relief. We partnered with the St. Vincent de Paul Society, who will make sure that the toiletry kits get to those who need them most. Many thanks to our service chair, **Max Fullmer** for organizing the drive, and to all those who came out to help. We ended up collecting four large boxes with toiletries! Thank you to all who donated! More next week! **-Fr. Joe**
